

Mandate of the Community Standards Committee

The Community Standards Committee (CSC) is a Council committee. They are created by Municipal Council as a working committee for the development of policy that is related to Regulatory and Enforcement matters within the Town of Claresholm.

The role of the CSC is primarily to advise Council on bylaw / policy in a Regulatory and Enforcement capacity. Secondary, the CSC works with the Regulatory & Property Services Department to ensure that Staff has a clear direction while carrying out duties. In addition, the CSC works with Council and other departments and committees when required.
